The use of Fire hydrants and Fire hoses is strictly for fire fighting only.

Allowing taps and showers to run unattended, as well as cisterns and taps leaking will be regarded as an offence.

Washing of anything outside of a building with tap water is forbidden

Washing of cars under any circumstances is not allowed.

No filling of pools will be allowed.

Water Restrictions will continue until the municipality reaches satisfactory water conservation levels.

**ANYONE ENGAGING IN ILLEGAL CONNECTIONS WILL BE PROSECUTED**

### REMEMBER SOME AREAS ARE STILL AFFECTED BY DROUGHT

Water restriction measures are currently ongoing in Harding and surrounding areas... Water is restricted to trickle feed for all consumers. Consumers are urged to use as little water as possible, only use water that is essential for survival. More stringent measure will be introduced should water usage patterns not change. Please report leaks immediately.
