*UGU certificate handover ceremony*

## 10.2 Disaster Risk Management Training

The District disaster management and fire services office also acquired the services of an accredited service provider to provide accredited training on Disaster Risk Management to four (4) learners for 12 months. Six learners have completed training and they have joined the district team for in-service training. The learners upon completion of training; received NQF level 5 certificates in Disaster Risk Management.

## 10.3 Events & Contingency Plans

The Safety at Sport & Recreational Events, Act No 2 of 2010 requires that the Disaster Management Centre ensures the co-ordination of stakeholders with the aim of providing measures to safeguard physical well - being and safety persons and property at sport, recreational, religious, cultural, exhibition, organisational or similar events held in stadia, public venues and also provide for the accountability of event role players,

In line with the above, the District in conjunction with the Local Municipalities and the Security Cluster were able to convene planning meeting and Section 4 meetings in preparation for these events; -

Name of event	Date	Venue	Municipality
<b>Sibahle Siyazethemba</b>	24 October 2016	Bhiliya sports ground	Umuziwabantu
